MOUNT COOK ACCESS STATEMENT

Introduction

Mount Cook is a purpose built Adventure Centre; we strive to provide access to the outdoors for all. We offer a safe, friendly, and supportive environment for all guests. The ground floor is fully accessible by wheelchair. Access to the First Floor is by staircase only.

Arrival and Parking

Cars and minibuses are able to drive up and park next to the main entrance. This area is paved and suitable for wheelchairs. Our main entrance has automatic double doors and leads straight into our main dining hall.

Communal Spaces

All of our communal spaces are located on the ground floor, are accessible by wheelchair and are well-lit with ample accessible fire escapes.

Communal Bathrooms

We have a disabled access bathroom just off the corridor of the main dining hall, this is a wet room complete with shower and folding seat; toilet designed for disabled use with side rails and a low level basin with lever tap.

Bedrooms

Mount Cook has two disabled access bedrooms located on the ground floor, these have a double bed on the bottom bunk and single bed on top. Each of these rooms are complete with an ensuite wet room (as specified above). Unfortunately, our glamping pods are not suitable for wheelchair users.

The Surrounding Area

The High Peak Trail is accessible from our centre and offers access to Black Rocks and Cromford Moor, the surface does have loose gravel so may not be suitable for all wheelchairs. A powered chair suitable for use on the trail is available for hire from the council if booked in advance. Please contact us if you would like us to arrange.
