STAY IN TOUCH

Your booking is confirmed, and your trip is underway. If you can't find anything you need in this pack, or you'd like to make any changes to your booking, please call the Mount Cook office from Monday to Friday, 08:30 – 18:00. You can reach us on 01629 823 702 or explore@mountcook.uk.

You will have a dedicated trip coordinator who will be on hand with information about your trip.

"Mount Cook Adventure Centre offers a distinctive approach which is of value to both formal and non-formal education. We offer young people first hand experiences and can therefore unlock a range of skills and understanding not always achieved in more formal settings such as schools or colleges. Given the necessary arrangements during covid-19 it is more important than ever to reconnect your young people with themselves and their environment."

Steve Turner, CEO

SAFETY ONSITE

Mount Cook will take all reasonable precautions to ensure the safety and security of your group and property. Staff are trained in emergency situations and in first aid. During the day a receptionist is available to handle any requests.

After 11pm a staff member will sleep over in the centre and a two-way radio will be left on reception with instructions for emergencies.

Smoking is prohibited within the building. Designated areas and bins are provided outside. Guests may not bring their own **alcohol** as we are a licenced premises with an onsite bar. Our bar is open until 11pm.

Our risk assessments for activities and the building can be found here: [RISK ASSESSMENTS](#)
Our Public Liability Insurance and key policies can be found here: [RESOURCES](#)

We highly recommend that schools either insure the trip themselves or encourage parents to take out trip insurance. Our insurance does NOT cover cancellations for medical emergencies, transport issues or poor weather.

FLOOR PLANS

Ground Floor & Glamping Pods

First Floor

ACCOMMODATION

We have 2 types of accommodation, **en-suite bedrooms**, and **glamping pods**. Our total capacity across the centre bedrooms and glamping pods is 180, with 140 beds across standard bedrooms and 40 beds across the glamping pods.

STANDARD BEDROOM

Our standard rooms have two comfy bunks, sleeping 4 – 6 people, complete with bedding and an en-suite bathroom. There is lockable storage in each room if you choose to bring a padlock.

Each standard bedroom has a shower, toilet, and sink.

ACCESSIBLE BEDROOM

We have two wheelchair accessible bedrooms, which offer a double bed, with an additional single for a carer with plenty of unobstructed floor space and a private en-suite wet room.

GLAMPING POD

Glamping pods sleep up to 4 people in bunkbeds. There is a toilet and sink with cold running water in each pod, and hot showers in the main building you can use, just a 30 second walk away. Pods have USB charging points - there are standard plug sockets in the main building if you require them.

- All bedrooms lock via **electronic keycard**. Generally, students have 1 key per room and teachers will have a master key that can unlock all their school's bedrooms.
- Staff are expected to share bedrooms with other staff from their school of the same gender. Single occupancy staff rooms can be booked for an additional charge from September – March, subject to availability.
- All bedding and bedlinen is provided.

CATERING

We can provide for any dietary requirements, including gluten free, vegetarian, halal and vegan, as long as we are informed before arrival. Your coordinator will collect this information for you.

Please bring a packed lunch on your first day.

SAMPLE DAY

Breakfast: Sausages, hash browns, eggs, baked beans, croissants, fresh fruit, yogurt, toast

Lunch: Choose your own filling sandwiches - ham, chicken, tuna mayo, beef, chickpea pesto spread with a salad bar and flapjack

THEORY OF CHANGE

Mount Cook are committed to developing young minds through access to the outdoors. To prove the benefits outdoor education can have on building character, we have developed our own model.

We produce a bespoke report based on your students filled with data on how they progressed during the trip and any areas they may be struggling in.

This is a free service for anyone staying on a minimum 2 night residential, should the school opt in.

This data can be used to...

- Understand your students better
- Help with funding applications
- Campaign for more government support for outdoor education

ACTIVITY INFORMATION

We offer three types of activity:

Onsite: These take place around the Mount Cook site and are facilitated by our in-house instructors.

Offsite: These take place away from the centre and usually require transport. You can arrange your own transport, or we can book this on your behalf for an additional cost. Offsite activities are facilitated by [Acclimatize Ltd.](#)

Evening: These take place after dinner and often take part in larger groups.

Onsite and Offsite activity sessions last 3hr15 each.

Evening activities last 1hr30 each.

Onsite activities requiring harnesses have a minimum weight restriction of 20kg and maximum weight restriction of 116kg.

Group sizes: Activity sessions are done in groups of 8 - 12 people. We will try and ensure all groups do the same activities, but this will depend on the number of groups and length of stay.

Activity capacities: Most activity sessions can accommodate 2 activity groups from the same school at once.

ONSITE ACTIVITIES

Archery & Onsite Orienteering Ages 6 +

Resilience & Self Confidence

Learn to shoot an arrow in the style of an Olympic archer using a modern recurve bow. Practise and play some games to hone your skills.

Learn and refine map reading skills including using keys, finding checkpoints and orientating the map.

Archery Tag & Maze Cube Ages 9 +

Teamwork & Cohesion

Archery tag is a competitive “dodgeball” like game, using teamwork and quick thinking to win the game.

The Maze Cube will require the team to work together to transport balls around a ‘floating’ maze, communication will be key.

Bushcraft Ages 6 +

Resilience & Self Confidence

Discover how people survived in the past. Learn to light a fire without matches and have hands on experience with the materials our ancestors used to create life-saving heat and light.

Build a shelter and create a cord bracelet to take home using natural fibres.

Game of Tribes Ages 6 +

Teamwork & Cohesion

Gather your tribe together for a map based challenge around the Mount Cook site with problem solving, code cracking, and engineering.

Teamwork will be essential alongside learning some of the history of Celtic and Roman Britain.

Fossil Hunting & Gem Panning Ages 6 +

Resilience & Self Confidence

Find fossils and discover some of the ancient sea creature remains from 330 million years ago.

Pan for treasure in our troughs and identify gems and learn about the history of panning along the way!

High Ropes Ages 9 +

Resilience & Self Confidence

Our High Ropes course includes 4 different elements: The Leap of Faith, Crate Stack, Jacob’s Ladder and Gladiator Challenge.

The high ropes course will challenge your group to keep each other safe, set their own goals, and work together to reach new heights.

Indoor Climbing & Landkarts Ages 6 +

Teamwork & Cohesion

There are lots of routes to explore in our purpose-built climbing wall. Participants will harness the skills learnt to help them move up the wall to find ‘their top’.

Using just rope, wood, and wheels teams will design and build their own working landkart.

Low Ropes & Problem Solving Ages 6 +

Teamwork & Cohesion

Designed to encourage problem solving, teamwork and communication, our low ropes course with mini zip is a great activity for building confidence.

Teamed up with problem solving the activity group will develop these skills further.

ONSITE ACTIVITIES

Orienteering at Black Rocks **Ages 9 +**

Teamwork & Cohesion

Learn how to read and follow a map in teams as well as exploring the local area. Instructors will stop to talk about history, nature and respecting the area we are exploring.

Students will be encouraged to use check points, tick points, and orientate the map independently.

Rock Climbing & Abseiling **Ages 9 +**

Resilience & Self Confidence

Our rock face and abseil point offers the group an exciting experience and individual challenge on natural limestone.

During the climb, the group will take part in belaying and tying knots. Group support will be vital, and teamwork will be the key to success.

Rock Climbing & Scrambling **Ages 9 +**

Resilience & Self Confidence

Scrambling is an on the rocks adventure at Black Rocks, about a 10 minute walk away from the centre along the High Peak Trail.

Then, climbing on real limestone, the group will take part in belaying and tying knots.

Via Ferrata **Ages 9 +**

Resilience & Self Confidence

The Via Ferrata is an exciting new addition to our site. Traverse across a quarry and a variety of obstacles using handholds, footholds and limestone rock.

Develop problem solving skills under pressure whilst supporting your group in their own attempts.

Zip Wire & Traverse Cube **Ages 9 +** **(min weight 20kg, max weight 116kg. Please be aware participants will be weighed on sessions.)**

Teamwork & Cohesion

Our Rooftop Rider Zip Wire starts 15 metres off the ground on the roof of the centre and finishes on the far side of Steeple Grange quarry. Guests can expect to reach speeds of up to 35 mph.

The traverse cube involves a horizontal peg wall with additional obstacles introduced throughout.

OFFSITE ACTIVITIES - [by Acclimatize Ltd](#)

Raft Building **Ages 6 +**

Requires Transport

Raft building is a superb team building activity! Groups are required to work as a team to input design ideas, form a plan and create a buoyant raft using a selection of materials which include: rope, wooden planks and polythene barrels.

Caving **Ages 6 +**

Requires Transport

Derbyshire and the Peak District offers a wide range of caving opportunities for people of all ages and abilities. Your group will be taken on an underground experience unique to our local area due to our rich history of metal and stone mining.

Canoeing **Ages 6 +**

Requires Transport

Canoeing is a perfect way to enhance confidence on the water in a safe and controlled environment. We use open top canoes that can seat up to four pupils, encouraging group based learning as well as improving individual skills.

EVENING ACTIVITIES

Abseil Ages 9 +

Abseiling offers a personal challenge to each group member to experience being lowered down our onsite rock face. Group members will be able to offer support and encouragement to each other.

Rocket Building Ages 6 +

Science and teamwork are required as participants design, build and present a group rocket. Each group will use the materials available and attempt to create a rocket which will fly high.

Campfire & Bushcraft Ages 6 +

Get cosy in the evening by surrounding the campfire in the dell or the woodland round house. The group will learn and practise traditional and modern fire-lighting methods.

The Mount Cook Challenge Ages 6 +

Team challenges will be placed around site for small teams to locate on a map. Collect as many points as possible on each challenge to get onto the leader board!

The group are given the freedom to choose which challenges to attempt.

Team Challenges Ages 6 +

During these fun team challenges all groups will practise their skills of planning, coordination, and communication throughout several group tasks.
